Office of the City Treasurer's Vision

To be an instrument of continuous growth and development of the City through effective collection of revenues and efficient management of its financial resources.

Office of the City Treasurer's Mission

Provide the City with efficient and progressive organization for financial management, particularly in the effective collection of taxes, custody and disbursement of funds, local taxation and accounting. Stabilize the finances of the City through a continuous program of improving local revenue, utilizing the most modern available information technology system.
